Te Mana Mātanga Mātai Kai

## Information for Practitioners

### CERTIFICATE OF GOOD STANDING

If you apply for registration overseas, it is likely that you will require a Certificate of Good Standing (Professional Status), which the Board can supply. The current cost is \$65.00.

The Certificate of Good Standing is created from information held on the Register of Dietitians and states your registration and practising status, confirms whether you are engaged in and meeting competence requirements and whether there are any disciplinary actions pending or proceeding against you.
